March 2016

Dear Parents/Guardians

Welcome to 2016 school year.

It has been a very interesting start of the new year with over 600 new students and 17 new staff being introduced to the school.

A very important measure of the school are the 2015 examination results.

It is with enormous pride that the graphs show that in all the levels the school is now operating at or close to the national average and well above our equivalent decile. This success is due to the combined efforts of staff, students and parents. To maintain and build on this success, the collaborative approach to examination success must continue.

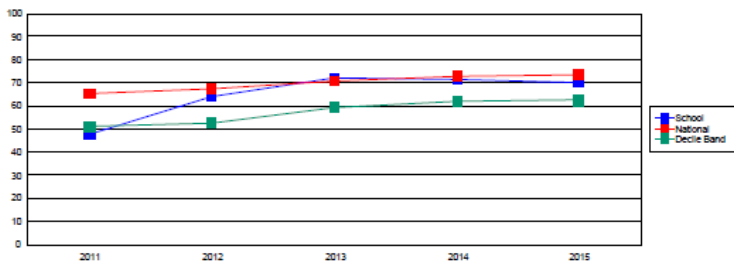

The area I would like to see improved is the quality of the grades.

Year 11 - NCEA Level 1

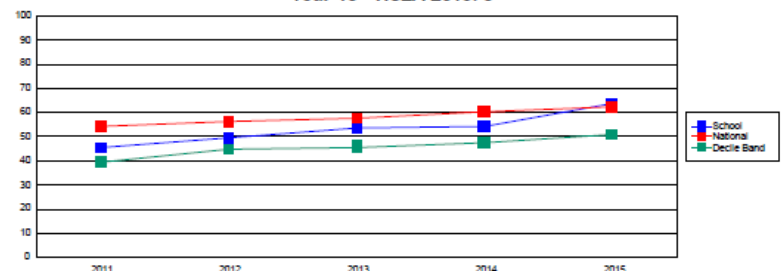

Year 12 - NCEA Level 2

Congratulations to the students who gained merit and excellence endorsements. As you can see there are a good number at level 1 but it reduces as we get to the higher levels. In the higher levels there is a greater need for homework and self-management.

It was my privilege to host a group of 2015 Year 13 students who achieved Excellence and Merit endorsement in NCEA Level 3. We celebrated with a morning tea at school and discussed their success and future pathway into further education, as documented further on the school website.

Year 13 - NCEA Level 3

While examination success is important and without level 2 or better; there are very few opportunities for employment or further education, having students leaving school well connected and well-rounded is also important.

Leanne Gibson has been working very hard to create connections with our community and past students. This work has already enabled many students to enter employment when leaving school and to also develop strong mentoring relationships. I encourage you to make use of or to add to this resource; the easiest method would be to link with Leanne through our school website www.manurewa.school.nz

Student leadership is an important part of secondary school. In the past this was developed around the prefect system. This year we have appointed Barbara Ngawati-Salaivao; who was head girl at Manurewa High School, to develop a more inclusive form of student leadership using councils. With so many students now successfully completing five years of secondary education, (last year it was 80% of those that started as Year 9 finished at Year 13) senior students are such valuable resources for the juniors. The new leadership program will provide a format for that to be used properly.

I look forward to seeing you at future events and wish you all the best for the year.

Student Leadership 2016

Recently over two hundred application forms were distributed to students interested in becoming a student leader. The application form was designed to encourage students to think acutely about their own leadership skills and what they can offer their community. This reflective, leadership practice has been reinforced by teaching staff who have engaged in many robust conversations about leadership over the past week. It is an exciting time for Manurewa High School students as

Lavana Lafolua

many take their first step towards stepping up and out as leaders for our school and community.

School Start and Finish Times

All students need to be at school by 8.40am every morning ready to begin the school day at 8.55am. School finishes for all students Monday—Thursday at 3.15pm. On Friday Year 9-12 students finish at 2.30pm, while all Year 13 students continue until 3.20pm.

China 2015

Our trip to China on 8-22 December 2015 was a lifetime experience. The purpose of this trip was to interact and engage with the students from Number 1 Jingmen high school and Number 1 Yichun middle school and be ambassadors for our school promoting the opportunity offered here at Manurewa High School. During the two weeks we got the opportunity to explore and encounter daily life as a Chinese student. We adapted to their daily routine of school at 7am till 10pm, we tasted a variety of traditional Chinese dishes and their way of life. We were involved in various activities such as making dumplings, dancing, Chinese calligraphy and meeting the lovely students from both schools. We had the opportunity to visit the Great Wall of China, Summer Palace and Tiananmen Square. This journey has been a life changing trip for all of us getting to experience life in China and see how different it is to New Zealand.

E Learning

eLearning and Social Media are now becoming a large part of our students lives. The biggest concern I have is parents coming to me about danger issues around this online environment. Having an open dialogue with your child around their usage is the best way to manage their safety. ‘Digi parenting’ is a great online tool to help develop your parenting skills for the 21st century. Backed by Vodafone and Netsafe, Digi parenting explains how to manage the virtual and real worlds, maximising learning, engagement and safety www.digiparenting.co.nz

If you have any questions then please do not hesitate to contact Craig Render, eLearning Co-ordinator rd@manurewa.school.nz

Past students show what's possible

When students begin to create their employment and community networks while at school, it helps them to decide what is possible for them in the future and develops the courage to "go for it".

A fantastic example of networks in action is the success of **Jacinta Talia'uli**, head girl in 2013. Jacinta has continued to contribute to her community through the Manurewa Youth Council, while completing her Commerce degree at the University of Auckland. At university, she also got involved in supporting Pacifica and Maori students and was part of a winning group in the university's SPARK Ideas Challenge.

Jacinta has been selected to go to Stanford University in California for a global summit for young entrepreneurs (ASES). This is a huge opportunity, connecting her with future leaders of all nationalities. She will learn the principles of developing a business that can fulfil her passion and purpose in life.

Jacinta Talia'uli

Jacinta has had the support and inspiration of her friend and fellow alumni, Ryan King, (he went in 2015). There are hundreds of applications for this programme from around the world, and only about 35 are chosen.

We are very proud and excited for Jacinta, and for Ryan as he begins his career this month with Vodafone, having graduated with a BCom.

If you would like to help Jacinta on her journey to America, please contact

Leanne Gibson, alumni co-ordinator on 021 610 071 or email gbn@manurewa.school.nz

Prem Volleyball Boys get set for the national title

Our Premier Boys Volleyball Team competes for the national title in Palmerston North on 3-9 April 2016. The team has been training hard and performing well.

If you'd like to help them get set for tournament success, please enter our draw to sponsor a player:

- \$20 for one entry
- \$50 for four entries
- \$100 for 10 entries

If your name is drawn, you win the right to have your family or business name on a player's shirt and the gratitude of 12 motivated young men.

Enter by paying into our bank account. Please make sure you add the reference VOLLEYB. **Internet Bank Transfer to ASB Bank - 12-3032-0742889-00**

Once you've paid, text your name and the dollar amount donated to 0211726273.

The draw will be on Wednesday 9 March at a fun game between Alumni and the Prem Boys Team. All welcome!

An YLP14 Alum Shares Her Success at World Learning Youth Programs

My name is Mele. I am 18 years of age and am from the small country of New Zealand. In 2014 I was a participant of the Youth Leadership Australasia Program. Until this day I am still very grateful that I was given the opportunity to experience a very educational trip. During the trip I was inspired by my fellow participants from New Zealand and Australia. I was inspired by their confidence, their encouragements and their willingness to change and be the change in their communities and country. To be able to experience high school in America (The States) was also inspiring as the students were filled with so much knowledge and passion. After a few workshops and meet and greets with organisations around the US I have realized how much I've learnt within that one trip and have realised that I am the voice of the youth and I can make a change in the community. In 2015, after the program I was definitely a bit more confident stepping out of my comfort zone. I took on a few leadership positions that were offered to me in high school and I have also done things I never thought I would do. On my last year of high school I promised myself at the beginning of the year that I will take all the opportunities offered to me and that I will do everything to the best of my ability. At the end of 2015 I was blessed to be awarded the Musician of the Year award, the Leadership in Dance award, the Outstanding contribution to Performing Arts award and the overall Excellence in Leadership Award. I also completed my NCEA level 3 (final year) National academic standard with a merit endorsement and I have received a scholarship award that will help me with my studies at the University of Auckland this year.

Thank you to all my mentors and sponsors that have challenged, helped and have encouraged me during this trip. I will continue to give education my 110% and will pay it forward to my community and country someday. I am hoping to also in a few years time go and study in the States. God bless.

Can you help?

Any Manurewa High School Books?

Please look around home and return any books that belong to Manurewa High School. It doesn't matter who took them out or what department they belong to, we would just appreciate the books coming back and being dropped off in the library.

OLD mobile phones

It's that time again to rummage around and bring into school any unwanted mobile phones. The phones collected help Manurewa High School gain valuable rewards and the environment benefits as well keeping our landfills free these phones and their array of hazardous toxic substances. Please drop any unwanted mobile phones you may have in the collection box @ Business Centre.

Manurewa High School Uniform Donations

If you have any school uniform items you would like to donate to the school second hand uniform shop, please contact Aleesha Mitchell 2690690 ext 258 or email mhl@manurewa.school.nz

Manurewa High School Health Centre runs a *free* sore throat Clinic. If a student has a sore throat, they are advised to come to get it checked for 'strep throat' which can lead to rheumatic fever and rheumatic heart disease if left untreated. If your Tamariki have a sore throat, encourage them to see the School Nurse for a free throat swab. All throat swabs and medication are free and medication will only be given to your child if you have agreed to it. The nurse will also tell your Doctor if your child is given antibiotics to take.

If you DO NOT want your Tamariki to have a throat swab taken at school, please phone the School Nurse on 269 0690 Ext 205.
