

Manurewa High School

Piki atu ki te rangi

December 2018

"Happy, Confident and Proud"

Tena Koutou, it is again an honour to be writing my final message for the 2018 newsletter as the happy, proud and confident Principal of Manurewa High School. Happy that we are able to offer so many opportunities for our learners. Proud of all the many fantastic achievements which fill the pages ahead. Confident that our school will continue on its journey from good to great thanks to hard mahi of so many caring and passionate people. People of all ages and backgrounds, strong in their cultural identity, who live our values of respect, excellence, whanaungatanga and akoranga every day.

We have a vision at Manurewa High School:

"Piki atu ki te rangi, Aim High, Strive for Excellence"

I want to start with our value of **RESPECT** by acknowledging Edyn Rubena-Misilisi, one of our students who sadly passed away in November. I shared precious moments with many of our staff and students who were there to support Edyn and her family over her last few days. The aroha and whanaungatanga everybody showed is what makes our school such a special place.

Edyn epitomised our vision of Piki atu ki te rangi, Aim high, strive for excellence. She was an outstanding student who fully involved herself in the life of our school and truly lived our values. As well as being a hard-working and high achieving scholar, she played saxophone in our award winning band Mit Eldnar, was part of our creative MakerSpace team and an active member of our Environmental Council. Edyn was always generous with her time and was always thinking of other people.

Thank you for the time we were able to share with you, thank you for being such a wonderful person. You have been a real credit to the values and support given to you by your parents and whaanau. We will all miss you, rest in peace.

Tangi moke ana maatou te Kura Tuarua o Manurewa ki te ngarohanga o taa maatou taonga noo ngaa waka o Tainui, o Te Arawa me te haapu o Liku Tamahalekka no te moutere o Niue. E hotuhotu ana te manawa moo te whaanau e noho ana i raro i te kapua poouri. E hine, haere atu koe hei whetu te rangi, tiaho mai moo ake tonu atu. Teenei maatou o te kura te tangi kau ake. Haere, haere, haere atu raa.

We, Manurewa High School, weeps with longing for the loss of our treasure from the canoes of Tainui and Te Arawa and the village Liku Tamahalekka in the island of Niue. Our hearts sob for the family under the cloud of sadness. To our girl Edyn, go to become a star that will shine on us forever. Here we are, all we can do is weep. Go, go be at peace.

Throughout 2018 there have been many examples of our students, staff and alumni striving for and achieving **EXCELLENCE**. Some of my particular highlights have been;

- Our Future Problem Solvers; John Chen, Okesene Fatu, Aimee Lew and Aaron Lew placing 13th in the world finals senior division in America
- John Chen accepted into Rotary National Science and Technology Forum 2019
- Two gold awards at Culinary Competitions - Isabella Vaikai won NSSCC at the MIT regional Culinary fare, awarded \$2000 and City and Guilds scholarship. Isabella Vaikai and Elizabeth Malaki won gold at the National Culinary Competition.
- Our Visual Arts exhibition 'Unrehearsed' on display at the Nathan Homestead
- Girls Waka Ama Team competed in Australia, Gold in both the 500m and 1000m beating an Australia Worlds Team to dominate the J19 category
- Open Boys Basketball Team won the Counties Manukau A Grade Championships and were undefeated in their Regular Season.
- Junior Pua – Rugby League 1st XIII - Member of the NZ Warriors' U20, NZ U18, selected for the NZ Secondary Schools Tournament Team and a standout performer at the NZSS Nationals

- Matua Ted and Uenuku for their gift of the incredible carvings on our Whare.

Our sign at the front gate 'Together we Achieve' represents our value of **WHANAUNGATANGA**. I want to take this opportunity again to thank all our whaanau who support us; mums, dads, caregivers, grandparents, partners, sons, daughters, brothers, sisters, aunts, uncles, friends – never underestimate the value of your aroha and support. I would also like to acknowledge and thank our Board of Trustees for their governance and guidance, especially Steve Smith our Chairperson who to date has given 15 years of service and leadership to our school. Thank you again to our business community and alumni who regularly come in to help us, particularly our key partners listed below:

ANZ, Ara, ASB, AUT, Cylone EY, Hynds, Inder Lynch, Little Giant, Nestle Cook for Life, Onehunga High School, Supe Diversity Institute, SW Scaffolding, The Mindlab, The Southern Initiative, The University of Auckland Business School, Vodafone and Young Enterprise.

Finally thank you to our teachers, support staff and Senior Leadership Team who all work really hard. We are blessed to have so many dedicated and passionate people who spend so much time helping our rangatira to find and REWAlise their passions and go on to make positive steps beyond school.

“Ki te kotahi te kakaho ka whati, Ki te kapua e kore e whati”

“Alone we can be broken, Standing together we are invincible”

To all our leavers we wish you every success in the future. Wherever your ara takes you, rest assured you will always be part of our Manurewa High School whaanau and welcome back anytime. In fact we really want you to keep in touch, visit and share your knowledge and experiences as you move forward in your life. Make sure you take a positive next step and find your place in the world and be aware.....

“Are your habits of today holding you back from your dreams of tomorrow?”

We have a dream at Manurewa High School to co-design a curriculum that improves the ability of our learners to engage in akoranga. We have some exciting plans and changes for 2019 as we move to vertical whanau groups, start each day with our new Hauora programme and bring our Kaitiaki time into the curriculum to allow the opportunity to further develop our values and new graduate profile.

Our overall purpose will always be **AKORANGA**. The skills of learning are so important to everyone’s future because with the constant change in our world, we all need to keep learning throughout life. At Manurewa High School we continue to work hard to grow young people who, when they leave us, are strong in their cultural identity, have gained qualifications relevant to their future pathway, are digitally capable and live our values.

This year has been full of akoranga that is ubiquitous, dynamic, co-dependent and co-lead by our entire school community. Akoranga that has been taking place anytime, any space, any place. A year full of happy, confident and proud people of all ages and backgrounds, a year that represents all that is Manurewa High School.

Wishing you all a Merry Christmas, Happy New year and joyful time spent with whaanau and friends during this festive season.

Ngaa mihi nui

EY Worldwide Entrepreneur Business Dinner 2018

Three of my fellow business Level 2 partners Matthew Lay, Pranali Gounder and Simran Naicker and I Cecilia Finau, had

been given the privilege to attend the EY Worldwide Entrepreneur Business Dinner at the Great Room Hotel in the City. This dinner consisted

of thousands of major and high-priority business people from family businesses, small community businesses and even up to worldwide selling businesses all over the country. It was the first time any of us had experienced something like this. We were the youngest adolescents there. It was a night filled with meeting great business people, good laughs and amazing food (well...our favourite, not so for Matthew... Inside joke). It was never a dull moment. Our MC for the night, the one and only Hillary Barry, ex 3 news reporter, kept the night alive with her humour. My favourite part was when she was impersonating Donald Trump. She had the accent, the facials and his standing position all perfect.

One of my favourite business spokesmen that caught my eye from the start, was the individual that was crowned EY Entrepreneur of the year 2018 at the end of that night whom was Nick Mowbray. Mowbray is the Co-founder and Co-CEO of Zuru Toy's, which is officially, for 2 years the fastest growing Toy Company in the world. His tale of up-bringing and the many barriers he faced, were truly inspiring. (You can read on the following link https://www.nzherald.co.nz/business/news/article.cfm?c_id=3&objectid=12132925). From living on \$1 to becoming a multi-millionaire. His tale teaches you that, it is okay to start wherever you wish, because you still end up where you are destined to be. It gives you the experience to learn and grasp onto new things while you are there. Overall, it was a great night. Hopefully we get to experience this amazing event again next year.

Yes Enterprise Scheme

Kulture Splash, makers of the delicious Frotai frozen dessert, are now national champions in Young Enterprise. The team was presented with the Pasifika Business Award at a big event in Wellington on Friday. It was awesome for their teachers, Adele Whittaker and Brendan Lambert, who is teaching Young Enterprise for the first year. Congrats to them and the whole Business learning area for a big year of success winning multiple YES regional awards .

Locker Project

Congrats Yashna Kumar and the All For One Locker Project team. Yashna made us super proud last night in accepting The Outlook for Someday Award in the Sustainable Future Category. This is award No2 for the project. It has also been selected to represent New Zealand at the Future Problem Solving Internationals next year.

Sorted in Schools is now live

E ngā mana, e ngā reo, ngā kura katoa o te motu whānui, mai i te Hiku o Te Ika, huri noa huri noa, tae atu ki te Upoko o Te Ika, whakawhiti atu ki Te Waka a Māui, ki Rakiura te punga o te waka, tēnā koutou katoa. Sorted in Schools launched a first learning package and is a host of other resources via their [website](#).

The aim of Sorted in Schools is to equip all young New Zealanders for their financial futures, and to ensure they leave school confident about what money is and how to make it work for them.

For the year 9-10 pilot, the first package, [financial identity](#), has been prepared across English, maths and statistics, technology and social sciences for the New Zealand Curriculum (NZC).

Manurewa High School is happy to be part of Sorted in Schools.

eManurewa—Schoolology is here !

Kia ora koutou,

You may be aware that this year we have introduced a Learning Management System (LMS) into school. Our LMS is called 'Schoolology' and allows teachers and students to connect in various ways to improve learning outcomes. Everything from making resources available from previous lessons to Facebook style updates are available on Schoolology and as a staff we are adapting our teaching methods to accommodate this exciting new tool. There is also a free app that students can download to their smart-phone should they have one. On average 600+ students are visiting Schoolology a day to access content and this number is rising. In the future, you too will be able to access Schoolology to see what work your child is undertaking and take part in learning related discussions. We will keep you posted on further developments via this newsletter and Facebook. In the meantime, please get your child to logon and give you a guided tour! If you have any feedback, questions or ideas please get in touch with me. Kia pai tō rā.

Machine Operators. These machines vary from relatively simple to complex, however there is no NZQA recognised Certificate for Machine Operation, just Unit Standards.

The criteria is:

- * School Leaver
- * Not progressing to further Tertiary study (at this time)
- * Good practical skills (they will be dealing with computer aided machinery which requires handling product)
- * Preferably living around Mangere (they need to be able to get to and from work easily).

Offering:

- * an 18 month training program, commencing with the less complex machines and working towards the more complex.
- * someone who is willing to work the less sociable hours will be paid a premium.
- * starting salary would be just below \$40,000 per annum, trained operators earn well over \$60,000 per annum.
- * at the end of training, the employee will be offered full time employment in a vacant position.

There are currently 5 vacant Machine Operator positions, one on Nights, 2 on Afternoons and 2 on days.

Prospects:

- * new machine (\$3.5 million) is currently being installed, which will need 3 operators.
- * there is another new machine on order, which will need another 3 operators.
- * there are new technologies being investigated that will require even more operators.

The Health Centre at Manurewa High School

- The Health centre is currently staffed by four Registered Nurses – Tracey, Leanne, Paula and Farisha. We also have a 3rd year student until the end of Term 3.
- The Nurses will help students access relevant primary health services, provide Youth Development checks and refer on the students who present with health problems. To do this we use the “HEEADSSS” Wellness Assessment tool for all year 9 students.
- We have a Nurse practitioner available each week and a physiotherapist twice a week.
- We are part of the Student Support Service and are here to help the students make the most of their time at MHS.
- We are open from 8:30am until 3.30pm on school days. Phone 2690690

Manurewa High School Values

Respect

Be proud of who you are and our school
 Be responsible for your own behaviour
 Be sure to look after each other/ourselves/our environment

Excellence

Be the best you can be
 Be aware of what you can be
 Be proactive and ask for help

Whanaungatanga

Be proud of your whakapapa and share with others
 Be willing to get to know and celebrate others
 Be willing to work with others

Akoranga

Be positive when learning
 Be adventurous and take risks in your learning
 Be sure to work at school and at home

We need your support

Students should be well presented and wear the correct uniform with pride. If you struggle to purchase warmer uniform items required during these cooler months, the school and/or other services may be able to assist. Please contact your Whanau Leader or Student Support Services.

Regular attendance at school is a key factor supporting student achievement. Please assist us to ensure, whenever possible, your children attend school every day.

Spectator/Side Line Behaviour—Please support all our teams, individuals, opponents, referees and officials in a positive manner. Abuse and negative connotations will not be tolerated. Demonstrate your support in the true spirit of sport and competition whilst upholding our School Values.

Encourage and support your child to study/research during the term break. The two weeks presents an ideal opportunity to catch up on uncompleted work and prepare for next term.
