

WHEN do **W**E use **W**HAT? ==> **WWW**

Schoolology supports teaching and learning (Student)

ALL classes are already pre-loaded

Load teaching resources here so students can access 24/7

Schoolology has a wealth of features to support learning

Teacher “how to?” help is available within Schoolology

Use TEAMS for internal communication (Teacher)

This could be within:

- Learning Areas
- Collab groups
- Whaanau or Roopu’s

Stores all files for that group in “Files”

Use E-Mail for:

- all staff messages
- personal messages to individuals
- messages that fall outside the scope of your TEAMS
- messages to **E**xternal individuals/organisations
