Fiafia Night Cancelled

Morena Whaanau

I am very sorry to inform you that due to the recent developments with regard to Covid-19 we have to cancel this evenings Fiafia night. We are following pending Government and Ministry of Health guidelines around the cancelation of all mass events of over 500 people and also the problem with tracking people contact for un-ticketed events. In addition, our experiences last year of the spread of the measles within our community is at the front of our minds. We have been informed that an announcement about Polyfest is due later today. We will still finish school at 2.20pm today as we are aware people have already made plans.

These are unprecedented times and the safety of all our rangatahi and whaanau is our absolute priority. Please continue to follow Ministry of Health guidelines around good hygiene and regular hand washing with soap.

Thank you for your continued support and understanding.

Ngaa mihi
