

Kia ora Whaanau, further to the Government Press conference this evening you will be aware that Auckland is returning to Level 3 as of 12pm Wednesday 12th of August. Schools have been instructed to close for all students apart from children of essential workers under the age of 14. If you are an essential worker who needs to send your child to school please email MHS@manurewa.school.nz or phone 269 0690 extension 281 and leave a message including your child's ID number. For all other students please remain at home and continue with your online and distance learning. Please keep checking our Facebook page and website for further information and instructions. We will be in touch about a return to school date as soon as we are able.

Please ensure you follow the government health guidelines, washing hands with soap regularly, social distancing and wearing masks when out in public particularly in areas where social distancing is difficult. For further information go to www.covid19.govt.nz

Kia kaha taatou, look after yourselves and whaanau. We've been here before, we got this! Stay home Save lives.
