

Kia ora whaanau

I trust that you and your whaanau are keeping well.

Following the Prime Minister's announcement that Auckland has moved to Level 1, I want to assure you that the move down to Alert Level 1 provides certainty that it is safe for all children and young people to physically attend school, and attending school regularly really matters.

I attach a letter to all parents/caregivers in English and language translation letters for the following can be found by clicking the link:
