

Manurewa High School Uniform

The School uniform is authorised by the Board of Trustees. It has been chosen by the Board of Trustees as being the best available under the criteria of durability, cost, practicality and attractiveness.

The wearing of the regulation school uniform is a condition of attendance and the Board of Trustees has authorised the School to exercise the right to send home those students who are incorrectly dressed and do not have a satisfactory explanatory note from home. Parents should ensure that all articles of clothing are named. The Board of Trustees also exercises the right to amend or include items in the regulations if, and when, the need arises. The uniform must be worn correctly to and from school. Under no circumstances should items of school uniform be worn with other non-uniform items.
