

Kia Ora Students & Whaanau

As you will already be aware the government announced today that Auckland will remain in Alert Level 3 Phase 1 and a return to school has been delayed with further information to be given next Monday. **Therefore, from the start of Term 4 Monday 18th October school will remain closed for all students** apart from those of essential workers under 14 years of age who have no other whaanau available to look after them. For all other students Operation Delta **will start online on Monday 18th October.**

Other relevant details given today are that all our staff will need to be fully vaccinated by 1st January 2022 and we will now be required to keep a COVID-19 Vaccination register for all students. Further details as to how to provide proof of vaccination will be given once confirmed by the Ministry of Health.

The Senior Leadership Team are meeting tomorrow and Wednesday therefore more information will follow in terms of Operation Delta by the end of the week. Please keep checking our school Facebook and Instagram pages, our website, Schoology and your school email for the latest information.
