Procedural Guidelines

- All international students studying at the school must be in a homestay that is either provided by the school or arranged by the student's parents for the student to live with family or close family friends (designated caregivers)
- International students studying at the school are not permitted to own or rent a flat/room/house/apartment or live on their own.
- All people over the age of 18 (except international students) who reside in the homestay must be police vetted prior to being accepted as a homestay.
- The Director of International Students will:

 - (ii) Arrange for the placement of students
 - (iii) Keep homestay carers and students well informed of their responsibilities
 - (iv) Liaise regularly with the students, their homestays and the school

- A fee is payable where the school is required to locate the homestay. This is payable for the initial placement and a second placement may be made free of charge where the first placement is not suitable to either party.
- Homestay fees should be paid in advance to the school for the duration of the student's contract. Homestay costs are calculated term by term and include the school holidays.
- If a student needs to be accommodated on a temporary basis at short notice, the Director of international students may decide that the best place for the student is the Director of international student's own home.
