COLLECTION OF DATA 2026

I am aware that Manurewa High School will request information and data about my child from their previous school[s] to assist with the transition and induction process, and also pass on to relevant future schools. Manurewa High will also use the Ministry of Education Te Rito software integrated with our own student management system to keep a record of learning and well-being of your child. This system includes the standardised Learning Support Register [sLSR], which contains the learning information and personal details of your child. This can be shared with other schools as appropriate and will be kept for the duration of their educational journey. If you would like to view your child's information or ensure it is correct, please see the Principal.

IN ZONE ENROLMENT TERMS AND CONDITIONS

The in-zone address given at the time of application must be the student's usual place of residence at the time of application and during the student's time attending the school. The Ministry of Education advises that parents should be aware of the possible consequences of deliberately attempting to gain unfair priority in enrolment by knowingly giving a false address or making an in-zone living arrangement that they intend to be only temporary. Examples include:

- Renting in-zone accommodation on a short-term basis;
- Arranging board in zone with a relative or friend who is not a legal guardian;
- Using the in-zone address of a relative or friend to gain entry to the school.

If the school has reasonable grounds for believing that the in-zone address is not a genuine, ongoing living arrangement with a parent or legal guardian, the school may decline to offer a place. If the school learns that a student is no longer living in-zone and has reasonable grounds to believe that a temporary in-zone residence has been used for the purpose of unfairly gaining priority in enrolment, then the Board of Trustees may review the enrolment. Unless the parents can give a satisfactory explanation within ten days, the Board may annul the enrolment. This course of action is provided for under Schedule 20:12 of the Education and Training Act 2020.

I understand and agree with the above terms and conditions.
